PROFILES XT

Profiles XT Leadership Approach is a multidimensional Assessment tool that analyzes the qualities of a person in 3 different areas: behavior traits, thinking style and professional interests.

It also provides the individual’s behavior trend as a leader, which means that it explains how this leader will behave in 6 key leadership areas:

1. Innovate strategic initiatives
2. Maximize available resources
3. Use organizational Sinergy
4. Produce results
5. Mentor others
6. Keep high performance personal standards

PERSONALIZATION

Profiles XT programs are customizable to the needs, competency models, culture and preferences of each company.

CLIENT’S PROFILE

Profiles XT programs are aimed at companies of all sizes and all sectors.

LANGUAGES

Profiles XT programs can be taught in Spanish, English, French and Portuguese
