THE COMPLETE MANAGER

The Complete Manager program defines the essential responsibilities of a manager and how to fulfil such responsibilities.

The report is written by consulting the supervisors, direct and others (interested parties), that the manager interacts with in his/her work.

We will help the participants face each management challenge with skills and confidence.

CUSTOMIZATION

The Complete Manager is customizable to the needs, competency models, culture and preferences of each company.

PARTICIPANT’S PROFILE

The Complete Manager is aimed at companies of all sizes and all sectors.

LANGUAGES

The Complete Manager can be taught in spanish, english, french and portuguese.
¿WHY P&A?

- We have a technical team with a high degree of knowledge and proven experience in important national and international companies.
