THE EXTRAORDINARY PERFORMER

The Extraordinary Performer is a development program to help professionals with potential and mid-level managers become extraordinary professionals and leaders and achieve better performance. It revolves around measuring and monitoring in order to attain changes and results.

Based on Zenger Folkman’s research, The Extraordinary Performer is aimed at all-level employees.

We will help each participant:

- Provide the necessary motivation and tools for a positive contribution to the company.
- Execute individual personal development plans.
- Build strengths applicable to day-to-day work.

CUSTOMIZATION

The Extraordinary Performer can be customized to the needs, skill models, culture and preferences of each company and can be linked to their performance, career and/or talent systems.

PARTICIPANT’S PROFILE

The Extraordinary Performer is aimed at leaders of all levels, from senior executives to mid-level managers.

LANGUAGES

The Extraordinary Performer can be taught in 12 languages and 38 countries.
